

Die kleinste 20.000 mAh Powerbank, die wir kennen! 136 x 71 x 28 mm

Charge Anywhere, Use Everywhere

The ChargeUp Ultra 20K Power Bank can be used to power any digital device that uses a USB connection to charge. This means you can use it to charge a huge variety of gadgets – everything from selected laptops, smartphones or tablets to your GoPro, portable speakers and even your Fitbit or Apple Watch.

You'll find a Micro-USB cable included with the ChargeUp Ultra 20K and it's also compatible with Apple products using your existing Lightning cable or any Apple-certified MFI cable. The ChargeUp Ultra 20K can also be used with a Type C (USB-C to USB-A) cable to power your Samsung S8, Google Pixel phone and Macbook Type C laptop.

Power Bank Features

- **20,000mAh Lithium polymer battery technology**
- Up to 10x smartphone and 2x tablet charges
- 2 x USB Ports
- Will power your smartphone, tablet, laptop, camera, portable speakers and fitness trackers
- Pre-charged and ready to use
- Includes Micro-USB cable for charging and to connect straight to your Android device
- Compatible with iPhone cable or Apple certified MFI Lightning™ Cable
- Black with grey trim
- 372g / 136mm (H) x 71mm (W) x 28mm (D).
