## M1T RAIDER

The M1T Raider is a compact EDC flashlight with essential tactical features. Along with premium beam quality, unique body pattern and multiple carrying options, this is a great addition to your tactical gear and EDC lineup.

## PERFECT TAIL SWITCH

An auxiliary spring is hidden underneath the switch making operations crisp and easy.

## PREMIUM BEAM

It has a max output of 500 lumens. The included TIR optic lens produces a particularly soft and balanced beam profile to preserve comfortable vision.

## CREATIVE BODY

Double helix dense flashlight body pattern resembling DNA for both grip and unique style.

## UPGRADED POCKET CLIP

Our dual direction pocket clip has been upgraded to a wider clamp and body producing a more sturdy clip and attachment point.

# IPX8 WATERPROOF RATING

Rated up to 2 meters under water for 30 minutes.
