Hier auch eine schöne Präsentation zu **MEE**audio: www.new-tech-products.com/support/MEEaudio_Presentation.pdf

ABOUT US

MEE audio is home to a group of audio gear enthusiasts who enjoy hearing our music at its absolute best. We believe that high quality headphones don't have to be expensive and that a great listening experience should be available to everyone at an accessible price. We want to spread our appreciation for music by building quality headphones in hopes that they will let music inspire everyone as it inspires us.

DIGITAL AND ANALOG CONNECTIVITY

Connects via 3.5mm headphone/AUX jack, RCA, or optical S/PDIF for universal compatibility with old and new TVs and other devices

Universal Dual Headphone and Speaker Bluetooth Audio Transmitter and Receiver for TV

HD WIRELESS SOUND FOR YOUR HDTV

The MEE audio Connect Hub integrates seamlessly into new and existing home theater setups to add high-quality wireless audio streaming for headphones, speakers, phones, tablets, and other Bluetooth devices.

PRODUCT FEATURES

- **ANALOG AND DIGITAL CONNECTIONS** for compatibility with old and new TVs and other devices; cables included
- **EXTENDED RANGE** design with advanced antenna for up to 90ft of wireless coverage
- **VOLUME BOOST** mode to make RCA/analog audio connections louder
- **BUILT-IN DISPLAY** and **VOICE-ASSISTED SETUP**

TRANSMITTER (TX) MODE

Stream sound from your TV to up to two Bluetooth headphones or speakers

PASS-THROUGH

Share an audio connection from your TV between the Connect Hub and another device

RECEIVER (RX) MODE

Stream audio from your phone/tablet to your soundbar or other non-Bluetooth audio device
