

BETTER FOR YOUR SMARTPHONE

The total battery capacity of the set is 10,000 mAh.

This means that each powerbank has 5,000 mAh cells, which will allow about 3 full battery cycles on the smartphone - depending on the capacity of its battery.

BETTER FOR YOUR TIME

Outputs of USB power banks charge devices with 2.1 A current, thanks to which the entire process takes up to 50% faster than the competition.

TECHNICAL SPECIFICATIONS
