### Multi-Flex Security Car Mount

This flexible, multi-jointed tablet mount allows you to comfortably and safely display your tablet in the front seat of your car. Designed for use with commercial and passenger vehicles alike, this drill-free car mount installs easily to your vehicle's seat rail using included mounting hardware and can be safely removed at any time. The arm features two tilting, rotating joints for custom positioning, plus folding clasps to lock them in place, preventing unwanted movement when in motion. The slide-adjustable tablet holder also tilts and rotates 360 degrees for portrait and landscape orientations, protecting your tablet from theft with a powerful lock and key security system. Its unique corner-grip design prevents tablet removal when locked and allows full access to your tablet's ports, buttons, cameras, and headphone jack, for card reader compatibility. The arm mount is also equipped with an interior cable management system to permit neat tablet charging while in use.

#### Features Include:
