## Selling Point

### 3-IN-1 Cable

The Battery Cable combines a durable, Lightning and Type-C Cable with a high capacity 3200mAh portable battery. The Battery Cable keeps your iPhone and Samsung smartphone charged through the toughest of adventures.

### Pass-through Technology

Charge your phone while recharging itself.

### Easy Charging

Whenever and wherever charge your devices possible.

### Emergency Assistant

Pretty, small and light. Take one with you when you go out and never worry about power failure.

### Easy Carry

Never worry about carrying portable charger or charging cable. Innovative 3-in-1, charge as you want.

### Easy Access

Equipped with rubber bandage and simple cylinder packaging, it is easy to tidy up and fashionable.

### Woven Rope, better durability

No fear of bending, stronger and more durable.
