

Brandneu bei Olight !

**This is Olantern, more than just a lantern.
It's time to discover a brand-new lighting experience for any dark situation.**

- 2 LED modules for versatile illumination.
- Sleek design combined with reliable functions.
- 360° light distribution, hanging hook, magnetic charging...
- The Olantern is ready to light up your good times indoors and outdoors.

**Featuring two interchangeable LED modules,
the Olantern allows you to switch between a standard white light or an ambient flickering flame.**

- The high-performance LED combined with transparent cover ensures an even, steady 360° light distribution.
- The white light has 3 brightness levels: 30 lumens, 120 lumens, 360 lumens.
- Powered by four 3.7V 1900mAh lithium-ion batteries, it is rechargeable via MCC3 and runs up to 80 hours.
- The hanging hook and stable base make carrying, storing and decorating super handy.
