

The Perun mini is a new addition to OLIGHT's Perun series that follows the signature body textures for easy grip. Powered by an IMR16340 rechargeable lithium battery, this multi-functional EDC illumination tool provides a max output of 1,000 lumens. It can be used as a headlamp via the optional headband. When attached to clothes, backpacks or hats via the velcro duty patch, this compact yet powerful light can be rotated 60 degrees for the desired angle and extreme convenience, bringing brightness to your life and work anywhere and anytime.

	MAX OUTPUT
1,000 lumens	
	MAX RUNTIME
4.5 days	
	MAX THROW
100 meters	

OLIGHT

Tiny but mighty: As small as a thumb, it boasts a max output of 1,000 lumens.

Multifunctional use: Handheld as an EDC flashlight; used as a headlamp with the optional headband; magnetically attached to vehicles for maintenance as a work light.

Upgraded pocket clip: The brilliant dual-directional clip features two round tips bigger than the slot on the light that makes it difficult to be detached for enhanced reliability.

Remarkable duty patch: Diversely attached to clothes, backpacks or hats via the velcro duty patch with a 60-degree rotation for desired angle and extreme convenience.

Magnetic charging: Equipped with USB magnetic charging cable for easy and fast charging experience.

▲ As an EDC flashlight
