WLAN DONGLE TO CONNECT SMARTPHONE AND HiFi

Via Wi-Fi from your smartphone into your entertainment system or active speakers?
If you want you can have the same music in all rooms.

The advertisement features a central smartphone displaying a music player interface. The phone screen shows the time 02:37 and the song 'Turn up the radio' by Madonna. Below the song, a playlist is visible with tracks: 'If I loose myself' by Alessio vs One Republic (03:48), 'Butterflies and Hurricanes' by Muse (06:48), 'Get Lucky' by Daft Punk (03:48), 'Feel so close' by Calvin Harris (04:21), and 'Midnight Citv' (03:48). The phone is surrounded by a white circular glow. To the left, a teal and black banner displays the Rocki logo (a white hexagon) and the text 'ROCKI® FROM EVERY PHONE TO ALL SPEAKERS FOR EVERYONE MYROCKI.COM'. On the right, a stack of seven colorful Rocki dongles (teal, purple, yellow, black, orange, red, pink) is shown, with the top one embossed with 'ROCKI®'. The background is a living room with a brick wall, a yellow cabinet, and a bookshelf.
